

Aduran Bahrami

BRAND & VISUAL DESIGNER

Legal name: Amirhossein Bahrami | Istanbul | ahb1571@gmail.com | linkedin.com/in/ahb1571

Visual identities and product experiences that remain coherent from mark to package to interface.

SELECTED EVIDENCE

ELARA | original fashion identity

Created the complete original design, including monogram, visual direction and concept applications. Mockups are not evidence of manufactured products or an open store.

Sulin Honey | owner-led brand

Directed premium product presentation, packaging identity, storefront design and an illustrative Hub workflow concept. No measured sales lift or deployed back-office service claimed.

iPhone Guy | business card

Designed two-sided card layout and information hierarchy using an existing logo designed by others; print production not verified.

TOOLS / METHODS

Photoshop, visual system development, packaging direction, storefront and interface design; AI-assisted image workflows.

EDUCATION

M.Sc. Architectural Engineering (Building Science) | Shahid Beheshti University | completed 2026

B.Sc. Architecture | Semnan University | visiting student at IUST

LANGUAGE

EF SET four-skill 62/100 (C1 overall); writing and speaking B2.
